Space Voyage Academy

Summer Day Camp – 2010

- ★ Interested in learning how to fly a space shuttle?
- ★ Interested in learning about the International Space Station?
- ★ Ready for a fun & fantastic summer experience?

If you are... join our team of student astronauts this summer!!!

The Academy is designed for students with an interest in space exploration by immersing them to think and work “as-if” they are astronauts. They also work as teams to learn about and solve problems common to space personnel!

Space Voyage Academy has offered a local space camp for 20 years!

We feature 3 programs consisting of varying levels within each:

Astronaut Pathfinder... Grades K – 3

Astronaut Cadet... Grades 4 – 10

and Alpha Cadet programs... Grades 4 – 10

Full descriptions of these programs is available at www.SpaceVoyage.com/SpaceCamp

Our program is designed to build on individual achievement as well as team success. Every student is capable of earning his or her own SVA Space Flight Medal of Honor.

SVA is a full-day week-long camp offered over 9 weeks, June 14 – Aug. 13, 2010

Location: Summit Ridge Middle School, Littleton (near C470 and Bowles)
